

Collaborators in Raken

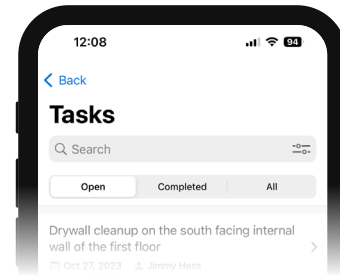

Invite subcontractors and other collaborators to complete daily reports, upload project photos, and more.

They'll have access to the following tools, on only the projects you decide.

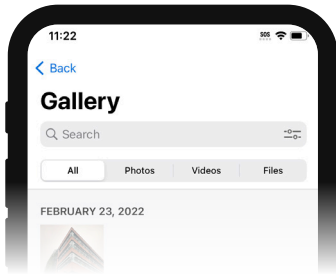

Daily Reports

Submit work logs, surveys, and notes.

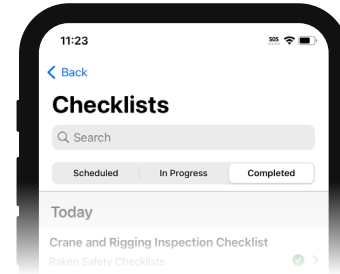

Tasks

View a list of assigned tasks.

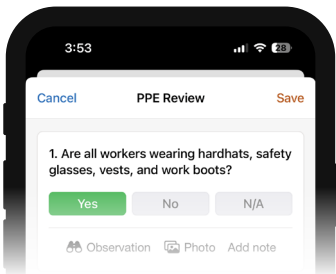

Gallery

Upload photos, videos, and documents.

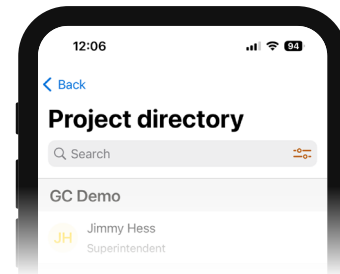

Checklists

Complete safety and quality checklists.

Observations

Address observations when tagged by a team member.

Project Directory

View contact info for project stakeholders.
