

Time Clock

Get fast, easy, accurate time tracking—invite workers to use mobile time clock on their device.

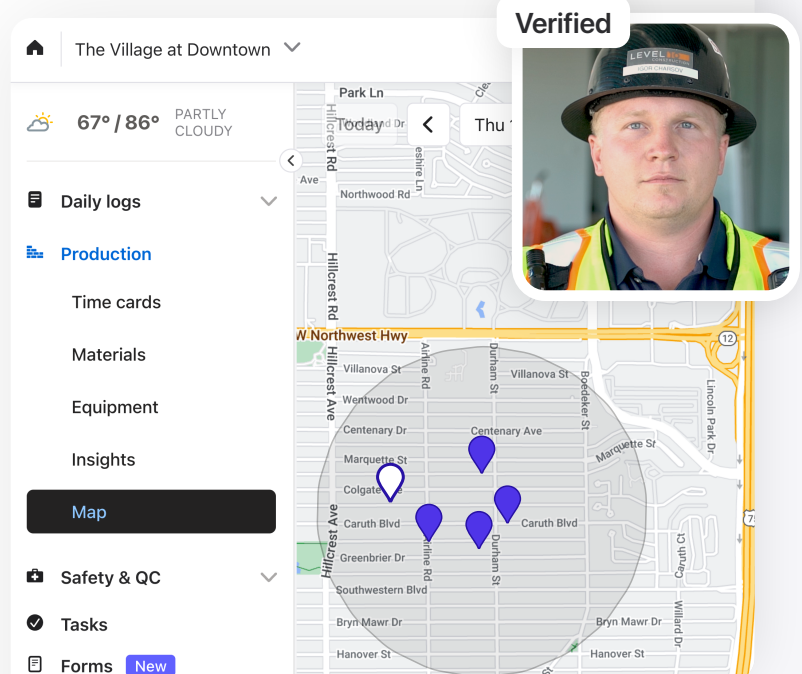

Field time entry

- Clock in, log breaks, and clock out
- Verify identity with AI photo ID
- Select projects and cost codes
- Answer custom questions set by admins
- Approve timesheets directly in app
- Set custom reminders

Office oversight

- Set custom clock in/out questions
- Review GPS location, hours, responses, and photo verification
- Prevent time theft
- Expedite payroll
- Gain detailed production insights
